OTTAWA, 18th October, 19..

Sir,

Re S.F. of 30-35-5, W.4th M.,
Homestead and pre-emption -
Leon Humbert.

I am to acknowledge your letter of the 18th September last, in reference to the case of Leon G. Humbert, and in reply to say the Department is prepared to do everything possible to assist this man in obtaining patent for his homestead and pre-emption but a condition and precedent to this step is that he should return to Canada and become a British Subject by Naturalization, and furnish proof of duties by making application for patent in the ordinary way.

Judging from the information on file it would appear that Mr. Humbert has completed the requisite settlement duties for both quarter-sections with the exception of one term of residence, but this shortage would be more than counteracted by military service, but in order that he may be allowed credit for his military service it is necessary that the Department should have official proof thereof. There has been difficulty about obtaining this as the Consul General for France in Canada appears to have no record of his recall to France on the outbreak of the late European War.

However, certain additional information with regard to Mr. Humbert's military service has since been received and this will be laid before the Consul General as it may serve as a clue to bringing the record to light. However, the first thing to be accomplished is Mr. Humbert's repatriation to Canada. You might take the matter up with the Immigration Authorities with a view to seeing whether they can be of any assistance in that direction.

Your obedient servant,

Assistant Secretary.

J. D. Hervey, Esq.,

OTTAWA, 25th July, 1929.

DEC 3 1929

Sir,-

N.E. ¼ Sec. 2 Tp. 40 Rge. 1 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

S.W. ¼ Sec. 18 Tp. 53 Rge. 9 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Olof Alfred Carlson, Esq.,
Junkins,
Alberta.

Sir,-

¼ S.E. Sec. 22 Tp. 14 Rge. 29 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Mr. Acting Commissioner,

Dear Sir,

I have received your letter and I am replying at once to tell you the reason why I signed Donat Neveu. I am really the same man who patented the N.W. Section 9, Township 58, Range 10, 4th Meridian. The only reason is this that when I left the east to come to the West, I was young and I was called Henri as often as Donat and since that time my parents came to see me and told me that my baptismal name was Donat Neveu and not Henri. So I wrote to Edmonton and I had it transferred to the name of Donat Neveu. Hoping that you will take my request into consideration and that you will send me my second Homestead right at once, as I would like to take it near my home as soon as possible,

Your very devoted

sgd. Donat Neveu

Dear Sir,

With reference to your telegram of the 31st ultimo as follows: -

"Please advise description of land entered for as a homestead and patented to Donat Neveu or Henry Neveu"

I beg to enclose a copy of the departmental telegraphic reply.

This patent issued in the name of Henry Neven on the 7th October, 1912. On the 1st October, 1928, Donat Neveu was requested to advise this Department whether he was the same person as Henry Neven and to explain why he signed his name Donat Neveu in a request to be granted a second homestead. A translation of his reply is enclosed.

Yours very truly,

Encls.
